

Yachtcharter Liguria and Tuscany

Explore Liguria with its starting harbor in Genova.
The famous Republica Marinera has witnessed a past full of glory. Here you can start your sailing trip from opposite the place of the former kings. The exit from the harbor is an experience of its own.

Your trip may either take you in the direction of France along the Ligurian coast via Imperia to San Remo or along the Riviera Levante to Tuscany, for instance to Punta Ala opposite the island Elba.
Experience the Ligurian coast with its luxuriant vegetation, mild climate, and high mountains that descend steeply into the sea.

This is one of Italy's smallest and most beautiful regions. It is also known as the Italian Riviera and covers the area from the french border to Tuscany.

The climate is mild throughout the year. Here lemons, almonds and olives are growing. Ligurian food specialties like Pesto (sauce made from basil and olives), the pasta Trenette, the bread-like Focaccia and the deliciously fresh variety of fish dishes are waiting for you.

Tuscany and Elba

Like a work of art that has been engraved by the passing of time, Tuscany harbors lots of treasures. Experience and harmony are part of the daily wisdom of the inhabitants of these villages.

Bestsail has opened up a base at Punta Ala that will enable you to explore the beauty of the Tuscan archipelago.
These waters are constituted by a multitude of islands that represent an equally large number of breathtaking experiences: Gorgone, Pianosa, Montecristo, Giglio and Giannutri are some of these islands.

If you are interested in a bigger sailing area we also offer the opportunity of starting your turn from Elba. In this way you also have the possibility of sailing to Corsica and Sardinia.
